ICS PROFESSIONAL MARITIME PROGRAMME

2 INTAKES JANUARY & SEPTEMBER

OVERVIEW

The ICS Professional Maritime Programme is the only internationally recognized qualification which is designed to meet the needs of the commercial shipping industry. It is delivered by distinguished shipping professionals, providing the participants with an excellent basis for career development and immediate implementation to their working environment.

The Programme consists of seven modules, covered from a practical point of view through the analysis of case studies, workshops and real-life examples; offering a hands-on experience and practical insight of the whole spectrum of the commercial shipping market.

The participants sit for the Professional Qualifying Examinations of the Institute of Chartered Shipbrokers, which lead to the ICS Membership; a unique chartered qualification with international recognition and global networking opportunities.
