Tutor & CV Resume

Tony Mason FICS

Tony has worked in the shipping industry for over 40 years with extensive experience in the liner business, as well as representing the industry in its relations with international government bodies, the press, and the public at large. He spent 32 years working in many different functions for container shipping companies, culminating in the role of Director, Corporate Strategy, at P and O Nedlloyd, prior the acquisition of the company by Maersk in 2005. From 2006 to 2010, he was Secretary General of the International Chamber of Shipping, representing shipowners globally on a wide range of subjects including technical, safety and environmental standards, employment issues, and promoting the image and reputation of the industry. Since 2010, he has been working with Drewry Shipping Consultants as an Associate, on advisory projects in liner shipping, ports and terminals, and logistics businesses. He is also Secretary of the International Support Vessel Owners' Association, an international trade association for ship owners operating support vessels in the offshore energy industry. He is a tutor and examiner for the Institute of Chartered Shipbrokers.

Tony graduated from University College Oxford with a degree in Chemistry and holds a Certified Diploma in Accounting and Finance. He is a Fellow of the Chartered Institute of Logistics and Transport, and an Honorary Fellow of the Institute of Chartered Shipbrokers.

Certification

Participants will receive a certificate of attendance on completion of the course.
