

CMI level 5 Certificate in Management & Leadership

Manage with Impact. Lead with Confidence.

The **Chartered Management Institute (CMI)** is the only UK chartered professional body dedicated exclusively to management and leadership. Established in 1947 and awarded with a Royal Charter, CMI sets the standards for management excellence for more than 75 years.

With over 170,000 members worldwide, CMI provides internationally recognised qualifications that deliver practical knowledge and skills that directly enhance workplace performance. Studying with CMI connects you to a global community of managers and leaders.

The **Hellenic Management Centre (HMC)** is a CMI Approved Centre. Established in 1999, HMC is a trusted provider of professional and executive education in Greece. It represents the Institute of Chartered Shipbrokers (ICS) in Greece since 2003 and delivers the ICS qualification, the only internationally recognised professional qualification in shipping.

HMC is the largest branch worldwide and the most successful teaching centre in the ICS network.

WHO IS IT FOR?

- Junior and mid-level managers across industries
- Professionals aspiring to move into management roles
- Team leaders aiming to strengthen their leadership capacity
- Managers who want a practical programme with proven impact

WHY CHOOSE THIS PROGRAMME?

International recognition: Earn a globally respected qualification, valued by employers worldwide

Practical skills in action: Apply tools and techniques immediately to create real impact in your role

Career progression: Strengthen your path to senior management and leadership positions

Global community & networking: Connect with CMI's and HMC's international professional networks

Leverage expertise: Gain the mindset and skillset you need for success from distinguished leaders and managers across industries

WHAT IS IT?

The Certificate in Management and Leadership is a professional qualification awarded by CMI. It includes the following two modules:

PRINCIPLES OF LEADERSHIP PRACTICE

- Uncover, understand and navigate leadership dynamics in real-world contexts
- Explore models of leadership and practical approaches
- Learn techniques to inspire and empower teams
- Strengthen your leadership practice through applied strategies

MANAGING CHANGE

- Understand the key drivers of change
- Gain tools to successfully plan, implement, and embed change
- Recognise and work with change dynamics such as resistance, ambivalence, and uncertainty
- Develop strategies to navigate challenges and lead change effectively
