

CMI Level 5 Certificate in Management and Leadership

Manage with Impact. Lead with Confidence.

Starting: September 2026

The **Chartered Management Institute (CMI)** is the only UK chartered professional body dedicated exclusively to management and leadership. Established in 1947 and awarded with a Royal Charter, CMI sets the standards for management excellence and professional practice for more than 75 years. Studying with CMI connects you to a global community of managers and leaders, committed to continuous professional development, ethical leadership and measurable business impact.

Hellenic Management Centre (HMC) is a CMI Approved Centre. Established in 1999, HMC is a leading provider of professional and executive education in Greece. Since 2003, it represents the Institute of Chartered Shipbrokers (ICS) in Greece, delivering the ICS qualification, the only internationally recognised professional qualification in shipping. Today, HMC is the largest ICS Branch within the global ICS network.

WHO IS IT ADDRESSED TO?

- Managers across industries seeking to strengthen their management and leadership capabilities
- Professionals preparing to step into their first management role
- Team leaders who want to lead their teams more effectively and confidently
- Professionals looking for a practical programme that delivers immediate impact in the workplace

WHAT IS THE COURSE STRUCTURE?

The CMI Level 5 Certificate in Management and Leadership is a professional qualification awarded by the Chartered Management Institute and includes the following units:

PRINCIPLES OF LEADERSHIP PRACTICE

Develop a critical understanding of leadership in modern organisational contexts. Explore leadership theories, styles and approaches, and examine how leadership impacts individuals, teams and organisational performance. Strengthen your ability to apply effective and ethical leadership practices in real-world situations.

MANAGING CHANGE

Develop the knowledge and skills required to lead and manage organisational change effectively. Learn how to analyse drivers of change, evaluate change management approaches, engage stakeholders and address resistance. Build practical strategies to plan, implement and sustain change to achieve organisational objectives.

WHY CHOOSE THIS PROGRAMME?

- **International recognition:** Earn a globally respected qualification
- **Practical skills in action:** Apply frameworks and techniques immediately
- **Career progression:** Strengthen your path to senior management and leadership roles
- **Global community & networking:** Connect with CMI & HMC professional networks

WHAT IS THE DURATION AND FORMAT?

6 weeks | Classes twice per week, evening hours
Blended Learning (in-person & online)
Programme Fee: €1.800

ARE THERE ANY ASSESSMENTS?

Participants are required to submit one assignment per module, submitted after the completion of each module.
