CMI Level 5 Certificate in Management and Leadership

Manage with Impact. Lead with Confidence.

Starting: 12 November 2026

The **Chartered Management Institute (CMI)** is the only UK chartered professional body dedicated exclusively to management and leadership. Established in 1947 and awarded with a Royal Charter, CMI sets the standards for management excellence and professional practice for more than 75 years. Studying with CMI connects you to a global community of managers and leaders, committed to continuous professional development, ethical leadership and measurable business impact.

Hellenic Management Centre (HMC) is a CMI Approved Centre. Established in 1999, HMC is a leading provider of professional and executive education in Greece. Since 2003, it represents the Institute of Chartered Shipbrokers (ICS) in Greece, delivering the ICS qualification, the only internationally recognised professional qualification in shipping. Today, HMC is the largest ICS Branch within the global ICS network.

WHAT IS THE COURSE STRUCTURE?

The CMI Level 5 Certificate in Management and Leadership is a professional qualification awarded by the Chartered Management Institute and includes the following units:

MANAGING PERFORMANCE
Understand how to set clear performance expectations, monitor progress and provide constructive feedback. Learn practical approaches to support continuous improvement and professional development within your team.

MANAGING CONFLICT
Build the skills and confidence to identify, address and resolve workplace conflict constructively. Explore the causes of conflict and apply practical techniques to promote positive working relationships and collaboration.

PRINCIPLES OF DELIVERING COACHING AND MENTORING
Develop structured coaching and mentoring skills to support individual growth and organisational development. Learn how to conduct effective coaching conversations, set goals and provide developmental feedback.

WHAT IS THE DURATION AND FORMAT?

5 weeks | Classes twice per week, evening hours
Online Learning
Programme Fee: €1.800

ARE THERE ANY ASSESSMENTS?

Participants are required to submit one assignment per module, submitted after the completion of each module.

WHO IS IT ADDRESSED TO?

- Managers across industries seeking to strengthen their management and leadership capabilities
- Professionals preparing to step into their first management role
- Team leaders who want to lead their teams more effectively and confidently
- Professionals looking for a practical programme that delivers immediate impact in the workplace

WHY CHOOSE THIS PROGRAMME?

- **International recognition:** Earn a globally respected qualification
- **Practical skills in action:** Apply frameworks and techniques immediately
- **Career progression:** Strengthen your path to senior management and leadership roles
- **Global community & networking:** Connect with CMI & HMC professional networks
